NEWS

The Round 1 beta release public use files for the National Health and Aging Trends Study (NHATS) are now available at www.nhats.org. NHATS is designed to support analyses of disability trends and trajectories in older Americans. This initial data release provides both SAS and ASCII files, and codebooks. The beta version is an early release and users are encouraged to assist NHATS in documenting issues to be addressed before release of a final file this fall.

EMPLOYMENT OPPORTUNITIES

Research Scientist, College of Public Health, University of Nebraska Medical Center. The Gretchen Swanson Center for Nutrition seeks a Research Scientist with strong leadership skills and advanced analytical abilities to
conduct research in the areas of childhood obesity prevention, food insecurity, local food systems and health and survey development and program evaluation. Ph.D. degree in public health, health promotion, behavioral sciences, epidemiology, nutrition, cancer prevention, health psychology or a related field in the areas of childhood obesity prevention, local food systems and/or food insecurity. This position parallels an assistant professor or associate professor level, commensurate on experience, with the potential for an appointment in the College of Public Health at the University of Nebraska Medical Center and/or Eppley Cancer Center. Application deadline: June 30, 2012.

**Senior Research Associate, Futures Institute.** The Futures Institute, a sub-contractor to the MEASURE Demographic and Health Surveys, seeks to hire a Senior Research Associate to work on analytical studies on demographic and health issues in developing countries. The researcher will conduct data analysis, systematic literature reviews, and prepare publishable papers and multi-country reports. The researcher will also provide training and analytical assistance to collaborators from developing countries. The position is based at the MEASURE DHS project at ICF International in Calverton, Maryland, USA. Ph.D. in a relevant social science or public health field (demography, behavioral sciences, epidemiology/biostatistics, international health). Application deadline: June 30, 2012.

**Postdoctoral Research Positions, University of Amsterdam.** The Amsterdam Centre for Inequality Studies, an interdisciplinary centre based at the University of Amsterdam, is recruiting three postdocs studying inequality. We are looking for three postdocs, one in each of the following fields: 1) Sociology / social stratification; 2) Political science; and 3) Educational science. Application deadline: July 10, 2012.

**Editor, Demography.** The PAA Publications Committee seeks applications for the position of editor of *Demography.* The new editor will begin work in May 2013, and will edit the 2014-2016 volumes of the journal. Applicants are asked to submit their CV and plans for editing *Demography* by July 31, 2012.

**Editor, PAA Affairs.** The PAA Publications Committee wishes to advise the membership of a search for a new editor of *PAA Affairs.* The new editor will begin work in January 2013, and will edit the 2013-2015 volumes of the newsletter. PAA members interested in applying for the editorial position should send a brief note of interest and an electronic copy of your CV to the Publications Committee by July 31, 2012.

**CPC STUDENT OPPORTUNITIES**

**One PhD Candidate full scholarship, University of Luxembourg.** The early stage researcher/PhD student will be a member of the INSIDE research unit (Integrative Research Unit on Social and Individual Development) within the Faculty of Language and Literature, Humanities, Arts and Education at the University of Luxembourg. He/she will work within the PROSOCIAL research programme: a comparative stratification research project in the sociology of inequalities funded by the Fonds National de la Recherche Luxembourg (FNR). Application deadline: June 26, 2012.

**International Research Travel Grant.** Receive funding for travel abroad to conduct graduate research. The Mario Einaudi Center and its associated Programs sponsor the International Research Travel Grants. These grants provide travel support for Cornell University graduate students conducting short-term research and/or field work in countries outside the United States. Applicants must be enrolled in an approved PhD or Masters degree program at Cornell University. They must also show proof that they have applied for funding from the Director of Graduate Studies in their own fields of study. Application deadline: Early February, 2013.
