FUNDING OPPORTUNITIES

30 Fulbright-Science Without Borders Awards. The Fulbright Program and the Brazilian government have teamed up to provide 19 grants for senior and junior U.S. researchers and post-doctoral researchers in all disciplines. Ten “core” awards of US$ 2,400 per month for assistant professors (or professional equivalent) and US$ 3,100 per month for associate or full professor (or professional equivalent) are available to outstanding researchers in the Social Sciences and Humanities. Application deadline: August 1, 2012.

EMPLOYMENT OPPORTUNITIES

Pre and Post Doctoral Training Program, University of Texas Medical Branch. The Sealy Center on Aging at the University of Texas Medical Branch in Galveston, Texas has openings for both pre-doctoral and post-doctoral positions. These positions are for research focusing on the health of older minorities, with an emphasis on older Hispanics. Trainees collaborate with Center faculty who have over $42 million in research pertaining to minority health and aging in the areas of comparative effectiveness, medical outcomes, health service utilization, social epidemiology, psychosocial stress and health promotion. Open until filled.

Postdoctoral Fellowship, Johns Hopkins University Center for Adolescent Health. Applications are invited for a full-time post-doctoral fellowship beginning in July 2012 with the Center for Adolescent Health (CAH) in the Johns Hopkins Bloomberg School of Public Health. This fellowship will last through September 2013. All candidates must have an earned doctorate in public health, psychology, sociology or a related field; a strong interest in and previous experience conducting mental health research; training and experience conducting intervention research; strong quantitative analysis skills, including LDA and multi-level modeling; previous experience conceptualizing and conducting independent data analysis; excellent writing skills; and strong oral communication skills. Applicants must be U.S. citizens or must be authorized to work in the U.S. The deadline for application materials is rolling.

Editor, Demography. The PAA Publications Committee seeks applications for the position of editor of Demography. The new editor will begin work in May 2013, and will edit the 2014-2016 volumes of the journal. Applicants are asked to submit their CV and plans for editing Demography by July 31, 2012.

Editor, PAA AFFAIRS. The PAA Publications Committee wishes to advise the membership of a search for a new editor of PAA Affairs. The new editor will begin work in January 2013, and will edit the 2013-2015 volumes of the newsletter. PAA members interested in applying for the editorial position should send a brief note of interest and an electronic copy of your CV to the Publications Committee by July 31, 2012.

(2) Postdoctoral Early Career Fellowships, Department of Sociology, University of Oxford. The Department of Sociology is offering two postdoctoral Early Career Fellowships to support promising young scholars to develop their research and publication profile. The main duties of the posts are to be active in research and publication, with supervision responsibilities for one or two MSc students. Applicants must have a PhD, or expect to gain a PhD within three months of the date of application, in any area of Sociology. They should be able to demonstrate the potential for world-class research and publication in sociology, and should have published at
