CALL FOR PAPERS

FUNDING OPPORTUNITIES AND ANNOUNCEMENTS
Request for Proposals: Stars in Global Health. Grand Challenges Canada is seeking proposals for Stars in Global Health (Round 6 Phase I), a program looking for innovators with bold ideas with big impact to address real-world global health challenges. Application deadline: July 30, 2013 (3:00pm EST).

Call for Proposals: AERA Research Grants Program. AERA invites education-related research proposals using NCES, NSF, and other federal databases. Awards for Research Grants are up to $20,000 for 1-year projects, or up to $35,000 for 2-year projects. Application deadline: September 5, 2013 (11:59PM PST).

Research on the Role of Epigenetics in Social, Behavioral, Environmental and Biological Relationships, throughout the Life-Span and across Generations (R21). OppNet initiatives invite investigators to propose innovative research that will advance basic social and behavioral sciences and produce knowledge and/or tools of potential relevance to multiple domains of health- and life course-related research. Application deadline: November 13, 2013.

EMPLOYMENT OPPORTUNITIES

(4) Assistant Professor of Sociology, Mississippi State University. A Ph.D. in Sociology is required at the time of appointment, but excellent ABD candidates will be considered. Preference will be given to candidates who do research and can teach (at both the graduate and undergraduate level) in two or more of the following areas: social demography, rural/community, research methods, race, gender, and family. Open until filled.

Center for Social Research Director, North Dakota State University. The Center for Social Research (CSR) at North Dakota State University (NDSU) is searching for a Director. This is a joint appointment, 55% as CSR Director and 45% as an academic appointment in the Department of Sociology and Anthropology. The Director will be the second Director in the history of the CSR and will play a key role in defining its future. Open until filled.

National Institutes of Health (NIH), Ruth Kirschstein National Research Service Awards (NRSA) for Individual Postdoctoral Fellows. Awards for postdoctoral scholars for training experiences in biomedical and behavioral research. Awards are made to individual applicants for specific training proposals. Individuals may receive up to 3 years of aggregate Kirschstein-NRSA support. Submission deadline: August 8, 2013.

Open Rank Faculty Position in Spatial Analysis, Brown University. The Department of Sociology at Brown University seeks to recruit a Professor of Sociology (at the Assistant, Associate, or Full Professor Rank) (Job #FPA# 14-6) who applies current methods of spatial analysis to research in any substantive area beginning July 1, 2014. Junior candidates must have a doctoral degree granted or in hand by August 2014. Submission deadline: September 1, 2013.

Doctoral and Postdoctoral Fellowships, Max Planck Institute for Demographic Research. The MaxNetAging Research School (MNARS) is seeking applications for Doctoral and Postdoctoral Fellowships, starting in February 2014. MNARS is an international graduate program launched by the Max Planck International Research Network on Aging (MaxNetAging). The program focuses on topics of aging ranging across the full spectrum of the behavioral and social sciences, biology, law and the humanities. Submission deadline: September 6, 2013.

Private Sector Healthcare Initiative Postdoctoral Fellow (Job# 6674), The Global Health Group (UCSF). The Global Health Group’s Private Sector Healthcare Initiative (PShi) works to advance the understanding of private sector healthcare provision in developing countries. The Private Sector Healthcare Initiative (PShi) is seeking an experienced researcher, writer, and statistician to spearhead the analysis and publication of results from the Maternal, Neonatal, and Child Care-Seeking (MNCCS) study. The fellowship will require some travel, including visits to Africa and Asia. A recent or pending doctorate degree in public health, demography, epidemiology, or related field required. Candidates with prior experience with statistical analyses of large datasets are sought, and experienced in mixed-methodologies preferred. To apply or for more information on this position, please forward a CV and a cover letter describing your relevant experience and qualifications to Dr. May Sudhinaraset. Submission deadline: September 7, 2013.
Nuffield Professorship of Sociology, University of Oxford. The Nuffield Professorship of Sociology is a new professorship in the Department of Sociology. The postholder will be a statutory Professor of the University and a Professorial Fellow of Nuffield College. The successful candidate will be a scholar of sociology of international distinction, with an outstanding research and publication profile, a record of success in obtaining external research grants, and an ability to inspire, guide and motivate students and colleagues. Submission deadline: September 9, 2013.

Assistant Professor of Sociology, Florida State University. The Department of Sociology, in conjunction with FSU’s interdisciplinary master’s program in Public Health Policy, invites applications for a tenure-track Assistant Professor position, effective August 2014. We seek applicants with a primary research emphasis in health who will contribute to one or more of our program areas: Health & Aging, Demography, and Stratification & Social Justice. Screening to begin: September 16, 2013.

Robert Wood Johnson Foundation Health & Society Scholars. Up to 12 scholars will be selected for two-year appointments beginning in the fall of 2014. Scholars will receive an annual stipend of $80,000. To be eligible, scholars must have completed doctoral training by the time of entry into the program (September 2014) in one of a variety of fields, including, but not limited to, the behavioral and social sciences; the biological and natural sciences; health professions; public policy; public health; history; demography; environmental sciences; urban planning; and engineering. Submission deadline: September 20, 2013 (5:00pm ET).

PAA Fellowship. The Population Association of America is delighted to offer an exciting opportunity for PAA members: participation in the prestigious Science and Technology Fellowship Program of the American Association for the Advancement of Science (AAAS). This fellowship brings researchers to Washington, DC to use population science, outside of the academic setting, to inform public policy and work for one year in a federal agency. The fellowship pays a competitive salary. Application Period: September 1 to December 15, 2013. Fellowship Term: September 1, 2013 to August 31, 2014.

CPC STUDENT OPPORTUNITIES
Demography Minor. The CPC offers a campus-wide minor in Demography that is open to PhD students in all social science graduate fields. Admission to the Demography minor requires that at least one member of the student’s special committee is a CPC affiliate. Students interested in signing up for the Demography minor should contact Lindy Williams or Geysa Smiljanic.

APPAM Call for Abstracts: PDW Mentoring Sessions at the 2013 Fall Research Conference.
