CALLS FOR PAPERS
Call for Papers: Supplement on Data Systems and Social Determinants of Health. Public Health Reports (PHR) is inviting papers for a Supplement on Social Determinants of Health and Data Systems. The Guest Editors for this Supplement are Drs. Kathleen McDavid Harrison and Hazel D. Dean. The Editors seek manuscripts that advance the scientific knowledge and public health research, practice, and policy on data systems related to addressing social determinants of health (SDH). Deadline for submission: June 1, 2010.

Call for Papers: "Men, Masculinities, and Family Planning in Africa." "Men, Masculinities, and Family Planning in Africa" Conference, University of California at Los Angeles, October 14-15, 2010. This conference will consider a gender perspective on fertility and family planning that is inclusive of men and boys. The first day will focus on the broader constructions of African masculinities in
different regional, ethnic and national contexts with special attention to fertility and sexuality. The second day will address family planning in varied African contexts, with special attention to gender inclusivity. Abstracts (250 words) are due by June 30, 2010.

EMPLOYMENT OPPORTUNITIES
Senior Research Fellow-Demographic and Health Surveys. ICF Macro has an opening for a Senior Research Fellow (#1000000168) for a position as Senior Advisor for Analysis with the MEASURE Demographic and Health Surveys project. The Demographic and Health Surveys (DHS) project assists developing countries to implement household-based surveys in the areas of maternal and child health, family planning, HIV/AIDS, malaria, and nutrition.
