CALL FOR PAPERS

Call for Proposals: 33rd Annual APPAM Fall Research Conference. The 2011 Fall Research Conference of the Association for Public Policy Analysis and Management will be held in Washington, DC from November 3-5, 2011. The theme of the conference is: Seeking Solutions to Complex Policy and Management Problems. Submission deadline: March 25, 2011.

NHANES-Questionnaire Development. The National Center for Health Statistics/CDC (NCHS) will consider adding new or revised questionnaire material, laboratory assessments, and examination components to the 2013-14 National Health and Nutrition Examination Survey (NHANES) survey. There are two stages to the NHANES proposal process. First, proposers should submit a letter of intent describing the proposed NHANES project. NHANES staff will review the letters of intent. If the proposed survey content seems appropriate for NHANES, then staff from our division will ask proposers for a full research proposal. There are separate deadlines, for letters of intent, for each of the three basic survey areas - the examination, laboratory assessments and questionnaires items. Questionnaire content deadline: April 15, 2011; and laboratory content deadline: June 1, 2011.
